Subject: US5G and Wireline Product Obsolescence

To Our Valued Customers:

This letter serves as notification that FEI-Zyfer, Inc has decided to discontinue the manufacturing of US5G and Wireline Products.

Our intent is to support these products for a limited time in order to allow for future planning by all of our customers; therefore we will offer last time buy opportunities to support your needs.

Customers have until **September 30, 2018** to place orders against previous quotations.

With this notification FEI-Zyfer extends the opportunity of a last time buy for the products listed on the attached document.

Our standard two year warranty for parts and labor will continue to apply to these products.

We apologize for any inconvenience this announcement may cause.

To best serve you, all inquiries and requests should be directed to sales@fei-zyfer.com or to Ron Evans at rae@fei-zyfer.com

Sincerely,

A handwritten signature in blue ink that reads 'Carolina G. Peralta'.
